

When arm
protection is an
absolute must!

CutGuard Knit Sleeve – ANSI Cut Level A4

APPLICATIONS

Aviation Applications
Automotive Manufacturing
Glass Operations
Sheet Metal Fabrications
Canning & Recycling

- Cut-resistant, protective knit sleeve
- Single-ply construction, with premium hook and loop closure at bicep, plus thumb slot
- Engineered yarn with coreless technology offers maximum comfort at a lighter weight, without fiberglass or steel
- Cool to the touch
- Washable for durable use – dark coloration helps hide dirt and extend the life of the product
- Length: 22 inches
