

Highway Kit

- Kit contains 3 reflective triangles, designed for optimal visibility and effectiveness
- Enhances safety on highways, roads and other high-traffic areas
- A durable plastic case protects the triangles while not in use
- Bright fluorescent orange, coupled with a highly reflective surface, ensures that the triangles capture the attention of motorists to reduce the risk of accidents and improve overall road safety
- Excellent stability and wind resistance
- Compact case design allows for easy storage in the trunk of a vehicle, making it readily accessible during emergencies
