

The POWER'S in the PACKET

SANI STATION Sanitizer & Cleaner

The proprietary blend of the Sani Station chemical is the only cleaner / sanitizer combination approved for use with Sani Stations. The specialized chlorine blend is how utensils are thoroughly and safely cleaned in place. Improper use of an alternate chemical with Sani Station cannot guarantee effective cleaning and sanitizing has occurred.

- Proprietary blended cleaner and solution 2-in-1 product
- FDA, EPA, and NSF D2 approved
- Packets are pre-portioned for easy chemical dilution, no measuring required
